September 12, 2008

Cold Water Ranch  
Merritt, BC

Attention: John Glazema

The MSA Society for Community Living is a non-profit society committed to supporting people with developmental and physical disabilities in the community of Abbotsford.

We are thrilled that Cold Water Ranch is contemplating building a fully accessible Respite Lodge for individuals with disabilities and their families. At present there are few respite options for families and the camps that do exist focus on only supporting children. We are confident once complete the lodge will be utilized on an ongoing basis within a very short period.

The MSA Society completely supports the Cold Water Ranch Respite Project.

Sincerely,

**MSA SOCIETY FOR COMMUNITY LIVING**

Richard Ashton  
Executive Director
